AT BCS WE STRUGGLE AND DREAM FOR HIGHER LEVELS OF ACHIEVEMENT IN EVERY AREA OF SCHOOL LIFE. NOW IS YOUR OPPORTUNITY TO HELP BY SUBSCRIBING TO THE ALUMNI ASSOCIATION & THE GREAT BCS GIVEAWAY: OUR ANNUAL PROJECT TO BENEFIT DIRECTLY OUR SCHOOL AND YOURS.

BISHOP'S COLLEGE SCHOOL

THE GREAT BCS GIVEAWAY; NEVER WAS SO MUCH DONE BY SO MANY!

Last year it was the Lottery! This year we bring you the GREAT BCS GIVEAWAY! This has been designed by Old Boy (BCS '78) **John Bryson**, written by **Andrew Johnson Jr.** (BCS '80) from the requests submitted by the staff of the school departments. The committee who advised, proof read and worked with dedication on this project were **John Fuller BCS '44**, **Patsy Thomson KHC '71**, **Doug Reynolds BCS '65**, **Margot (Grant) Kyle KHC '65**, and **Danny Lalonde BCS '72**. All Directors of the Alumni Board finally approved its production. Thanks must also go to **Sue (Teakle) Whittal KHC '51** and **Deirdre (Molson) Stevenson '50** who listened and advised in the early stages.

As you will read in the booklet, the mouse made his first appearance in 1916. Through the course of the intervening years, he has made many spectacular appearances, notably from the pen of **James Stewart** in the school magazine of 1964.

Here he is again, suitably named after the site of the school, Moulton Hill, by **Shirley (Harrison) Stoker KHC '46** and illustrated by **Gael (Eakin) Plant KHC '56**.

As you can appreciate, many people have been instrumental in bringing this fabulous little book to you. Our sincere and heartfelt thanks go out to them! We hope all of you will enjoy the results and respond generously.

REUNIONS:

BCS CLASS OF '58

DEANE NESBITT (BCS '58) organised a Gathering of his Seventh Form classmates for the weekend of September 16-18, 1983. Deane hosted the reunion at his place in St. Sauveur, Quebec. Eight out of a class of thirteen were able to be there. Deane reported that they all had a wonderful time with some very good tennis. One member was heard to remark the general view that he found he was getting to know the rest of his classmates for the first time! Deane writes "Those of you who were unable to come — we all hope you can next time. It was generally agreed that the class should not wait another twenty-five years before holding another reunion! Those of you who were able to be there — it was great to see you. Thank you for making the weekend such an enjoyable one."

writes to classmate
Priscilla Ann (Jackes) Tryon

Dear P.A.,

Sorry I missed you in Winnipeg in October, but Bagdad, who could resist that trip? We missed you at our KHC class of '43 reunion in September so here is an update.

Moo and I met here in Belleville and as prearranged, met Bea and Vicky in

Robin Pitcher, Colin Moseley, Grant Johnston, Duncan McNeill, Jack Miller and Deane Nesbitt.

Gananoque who had met earlier in Port Hope, coming from Peterborough and Oakville respectively. Then on to Montreal and later to Compton and KHC!

Marie Tulk arrived first while Moo and I were having lunch in our old Dining Hall. Although it is changed and many improvements made, it is still our Dining Hall. We reminisced of how we had been presented to Princess Alice in the doorway, listened to Gilly, reading Beverley Baxter's, London Letter and a host of other memories.

Moving to the room at the head of the stairs, where we had albums, old mags and room keys, we awaited the others. Along came Eadie and Rahno who had driven from Nova Scotia. Bea and Vicky who had picked up Elsie in Montreal were next. Then Price. We were served tea and cookies in the small

Dining Room where the staff used to eat and where we had our morning soup in winter — remember?

Before dinner we met in the bar (the old staff lounge). This is great fun to see with so much KHC memorabilia, including our old desk tops, complete with carved names. For dinner we had a reserved table in what used to be the library. In the old days it would have been under the watchful eye of Laura Joll. We had a floral centrepiece in the school colours, candles, place cards with a big 40 and each person a silver spoon, suitably engraved and wrapped in blue and gold. It looked very festive.

After dinner, we caught up on forty years of news. We read letters from those unable to attend but who sent good wishes, Janet Riley in England,

EARLE BIRNEY, CANADIAN POET, FIRST GILLARD LECTURER, VISITS B.C.S.

On November 21st and 22nd, Earle Birney, twice winner of the Governor General's Award treated the school to first an evening of reading from his own work and the next day to two workshops for forty of the keenest English students. Gilly was able to join Dr. Birney and the school for lunch on Tuesday, November 22nd and attend with Mlle Cailteux an afternoon workshop.

Shirley (Harrison) Stoker (K.H.C. '46) member of the Executive Committee of the school and author of the Gillard Lectures and Debates as a loving "Thank you" to Dr. Adelaide Gillard for all the years she spent talking to her girls about Human Values introduced Dr. Birney.

Her introduction best describes Dr. Birney and what he brought to us at B.C.S. in his two day stay. To quote from Shirley —

"Values were never something someone else coped with. They were and are the code that we ourselves live within — our own frame — our own

Earle Birney, born in Calgary, studied at the Universities of British Columbia, Toronto and London. As a University professor he has influenced students internationally and across Canada.

space. Gilly was and is good at making us respect our own and other people's standards.

Poetry is one of Adelaide Gillard's great loves, and to have Canada's premier poet here with us tonight is indeed a great pleasure. He is the author of 23 books, not only poetry but fiction and criticism. He also published nearly 100 short stories, essays and reviews.

Of the writing arts, poetry is possibly the most reflective and thought provoking. It demands a focus and intensity of thought and expression that is difficult to achieve. The ability to inform delightfully is a rare talent. To go beyond informing, to enlarge our minds with unfailing wit and charm is more unusual. Professor Birney has the touch.

We look forward to the time you will spend among us, Dr. Birney and I am sure our heads will be challenged and our hearts enriched."

Shirley's hopes and expectations, here expressed, were indeed met, by the unfolding of the next two days with the Canadian Poet, Earle Birney.

THANKSGIVING HOMECOMING

Pictured on the front cover of the Bulletin are a mélange of Alumni and students caught in a picture after the Soccer tussle in which the Old Girls emerged victors with a score of 3 to 1. Other scores on that weekend were a draw 5 to 5 in the Senior Boys' Soccer, a win for the school in the Senior Girls' Field Hockey 2 to 1 and a resounding success for the Old Boys in the Football match on Saturday afternoon, the score 13 to 6.

There were several highlights on the weekend, not least the '78 Reunion arranged by Kate Brown, reported on page 4. Particularly significant was the dedication of the stained glass window, the gift of the class of '83 and pictured in THE GREAT BCS GIVEAWAY. This was after the service in St. Martin's on Sunday morning. The colours in the lower level are the grey and brown of rock and soil. The green symbolises the growth of the biosphere. The sun streams radiance over all. The white flash transecting the whole is the institution through which ones grows and develops. The glass work is by Robert Peloquin of East Hatley.

Among Alumni at BCS for the weekend were: Kate Brown, Vicky Doheny, Craig Fields, Diana Boyd, Michael Ford, Karen Halil, Janet Ondaatje, Nancy Doddridge, Debbie Soles, Pam Crossen, Eli Lee, Karma Price, D'Arcy Lorimer, Maureen Elliott, Michael Austin, Carol Brownlee, Cynthia Crossen, Jane Percival Boyle, Meg Livingstone, Heather Budge, Nikole Reford, John Dunn, Jane Hawketts, Robert Lee, John Gilmour, Arnulf Koegler, Martha Cunningham, Susan Mitchell, Daphne Symeonides, Holly Pangman, Charles Black, Jacquie Scott, Nathalie Gervais, Susan Ogilvie, Marc Ouimet, Tammy Gordon, Greg Boyd, José Esté, Geoffrey Hall, Richard Nemec, Ian Graham, Charles Cournoyer, Dan Doheny, Marc LePottier, Gail Johnson, Andy Johnson, Timothy O'Reilly, Brian MacFarlane, Susan Kim, Sarah Hawketts, Andrea Fields, Sylvie Duval, John Kipphof, Denyse Bruneau, Robyn Badger, Mark Johnson, Heather Mackinnon, William Mahfood, Andrew Johnson Jr., Geoff Reford, Peter Dunn, Joanne Gilbert, Andy Sakamoto, Luc Duval, David Stevenson, Jon Yemensky, Suzanna Gardner, Michael McGee, Mike Laframboise, Paul Giesinger, Charles Coleman, Scott Pritchard, Matteo Marchini, John De Paul, Shaun Henriques, Tina Pinck, Peter Fenton, Brian Bell, Jill Hugessen, Joanne Whitty, Joelly Goodson, Erin Barriere, Debbie Lax, Sherry Cryan, Cliff Turner, Mike Stearns, Jerry Jonas, Marco Marchini, Tim Bradley, and Alexander Kippen.

DIARY OF ANNE FRANK MORE THAN JUST A PLAY!

by Louise Heenan (Form VI)

It was a human experience. Everyone involved was lifted above the acting to a dimension of realization and truth where there was no blanket of illusion. The terrors, tensions and emotions were real, for the events that were presented really happened and happened recently. We tried to understand the strengths, weaknesses and fears of the Franks, the Van Doans and Mr. Dussel who were in hiding, caught in the hate and turmoil of World War II.

In order to understand in greater depth what those eight people endured, we, in the cast, went into hiding ourselves. We stayed for 32 hours on the stage, under conditions similar to those faced in the real Secret Annex. With very limited food, ten hours of silence during the day, no heating and cramped quarters, it was a difficult test.

There were ten in the cast. David Stankaitis as Mr. Frank, Mary Hallward as Anne, Louise Heenan as Mrs. Frank, Jill Booth as Margot, John Bunge as Peter, Sue Chadwick as Mrs. Van Doan, Brent Johnson as Mr. Van Doan, Peter Sanchez as Mr. Dussel, Judi Webster as Meip Gies and Ed Journeaux as Mr. Kraler.

It was frightening to feel the effects of those limitations, but it gave a new light and perspective to our understanding and created a bond between each of us. If it had been hard for us, how must it have been for them with constant fear, uncertainty, and hunger — and for so long?

When Mr. Evans met us for the first time, he said that what we were about to do would effect us profoundly. He was right. From the start, we dedicated the production to those real people who had suffered; our objective was to keep alive Anne's wish to go on living even after her death. We feel her belief that people are really "good at heart" must continue to be heard.

We, who have heard Anne Frank, have a new understanding that will never be forgotten.

YES! B.C.S. HAS AN AUXILIARY!

In its infancy and doing very well, B.C.S. officially established the B.C.S. Auxiliary in October of this year.

A year ago several staff mothers gathered to explore ways for greater involvement at the school of a very important part of our constituency — the parents. To begin, it was felt that we could aid and abet one another if we were able to recycle school uniforms more actively. We also thought that it would be a good thing if parents could visit the school to share in the program with their children apart from the very necessary day spent seeing teachers concerning the progress of their own child.

As a result the Headmaster established Cadet Inspection Day as Parents Day in May and a Used Uniform Shop was announced. The first sale was held on the First Annual Parents' Day.

Mrs. Brady, our school Matron gave invaluable help, by supplying us with a large number of items, formerly handled by the linen room for the benefit of the Social Services Group.

BCS Students receive auxiliary Christmas present.

Although the spring gave a slow start, matters rapidly picked up through the summer as new students, and old, took advantage of the service. The shop moved out of our basements into an adequate cubby hole adjoining the library. The beginning of fall term saw the continuation of the smart pace set in the summer.

In October of this year, we held our first official meeting. Hours for the shop were established to be every Thursday

during term. All Parent Days, one week mid-summer (July 27 — Aug. 3) and more than two weeks before the beginning of fall term. (From Aug. 28th)

THIS SPRING WE HOPE TO HOLD A BOOK FAIR ON CADET INSPECTION PARENTS' DAY! If you are sorting your books, please remember us. We will gladly arrange pick-up. Just contact the Alumni Office at BCS or phone 819-564-5166.

Finally on Wednesday December 7th a Wine and Cheese Party was held for all local parents at which student representatives from all the Houses received on behalf of the student body, several components of a sound system to be used by the students for their own activities. This was bought with the proceeds of The Uniform Shop.

In spite of nightmare weather conditions and telephone calls received that day, accounting for nearly fifty people as a result of the gale, fifty people did venture out to attend what we hope will be the first of many such gatherings.

K.H.C. CLASS OF '43 (Continued from page 3)

Pritch in Maine, Hilda Thompson, Jocie Pangman, Kay Cochran, Shirley Fletcher, Elaine Knutson, Nan Hooper, Lois Lusk, Marie Norman, Bev Scripture, Dorothy Southam and so you see, small as we were we had quite an outreach. We retired to Gillard House where word got around that there was a feast in Moo and Price's room. Bed was late.

Sunday we gathered in St. James the Less where Gilly and Mlle met us. Malcolm Evans from BCS conducted the service and Dorothy Hewson played the organ. Some of the regular parishoners took advantage of a special celebration to join us.

After service we returned to Gillard House where the St. Laurents had given one room with a hospitality suite. There we had an aperitif before going on to lunch. Here we had numbered place cards and we asked Gilly to select a number to see who would take the centrepiece home. Gilly's choice proved to be Mlle's number so that was very nice.

Although speeches were at a minimum at this point we did say that we hoped to be able to celebrate our 50th and Gilly's 100th next.

Hope it won't be long before I see you in the east or in Winnipeg.

KATE BROWN BCS '78 was the moving force behind a Gathering of that class on Thanksgiving at the school. Kate writes from Northbrook, Illinois.

"I can't believe its been five years! was the primary response over the Old Boy/Girls weekend October 8th 1983. A successful cocktail and dinner bash at the Hovey Manor, N. Hatley was organised for the class of '78. The attendance was enthusiastic not only to include numerous old girls and boys, but also Mr. and Mrs. Cruickshank and Mr. Bateman.

Cocktails started at the BCS Dinning Hall and continued over to Hovey. A sumptuous dinner was served to 21 ravenous alumni. The alums that joined

in the fun, food and vine were: Sidney Fisher, Mark Setlakwe, Kathy McGee, Cinnie Crossen, Karma Price, Danny Scheunert, Luc Duval, Meg Livingstone, Jane Boyle Percival, Eli Lee, Jill Hugessen, Vicky Doheny Herring, Robert Lee, Mike Weir, Craig Fields, Becky Hunting, Tina Pinck, Diana Boyd, Mike Laframboise and Anna Derjanecz. And, of course, Kate Brown.

Thank you to the Alumni office for helping with the arrangements. And of course, thank you to all those alums that attended the reunion for without you, a reunion would not have taken place. To those '78 alums who could not make it back this year, you were definitely missed. We only hope that you will be back for the "big ten year reunion". Mark your calendars and see you all then."

HALIFAX:

For the first time in at least three years, Haligonians from KHC and BCS gathered on Thursday, November 17th 1983. The reunion was held at the home of Eve (Smith) Wickwire and her husband Ted.

It was a wonderful treat to have our reunion in a home surrounding. Indeed it was a real family gathering as many of our Alumni appear to be related in one way or another.

Kathy MacCulloch and Eve had prepared wonderful goodies for us and we were especially delighted to see General Robert Moncel who had travelled from Mahone Bay to be present with us.

Among those present were, Deborah (Thompson) Digby, Heather MacNab, Sue (Clark) Kelly, Fiona Thraves, Christine (MacKeen) Shaw and her husband, Elihu and Wendy Rees, Willa Magee, Margot (Magee) Sackett, Roy Heenan, Toby Norwood, Anne MacCulloch, Bruce MacCulloch, Jim Gillis, Sarah Stalley, Judith (Vivien) Rees, Don McInnes, John Ogilvie and Kathy MacCulloch.

A very warm thank-you to Eve Wickwire, an Old Girl, an Alumni Board member and parent for her very gracious hospitality.

OLD BOYS' HOCKEY

Saturday, November 26, 1983, was like most Saturdays at BCS, students busy preparing for games and other activities. The big attraction that afternoon was to be the Old Boys Hockey game.

The Team was looking forward to the unknown challenge of the Old Boys. The Coach had had lunch with Luc Duval and had quietly bragged about his awesome team. As game time approached Luc was joined by Danny Lalonde and Jacques Ouimet. The others were on the way. A quick draft meeting was held and six school players were added to the trio. As the game progressed, punctual Fred Kaneb and Bill Price joined the fray and by the middle of the second period the Old Boys Team was complete with the appearance of David Jones and Doug MacDonald. A good time was had by all. **The level of competition and high speed chase soon had everyone tired and ready for the Board Room.** The School lost in the draft but in the total of 17 goals scored in the game, 1st Teamers scored 10 of them. At the reception after the game important topics were discussed, such as, where was Greg Boyd and the three players that he was going to bring and the revival of an Alumni Golf Day. **Bill Price is very keen to get the Golf Tournament going this spring.**

Old Boys point getters:

Jacques Ouimet, 3 goals

Luc Duval, Defensive specialist

Dan Lalonde, 2 goals, 2 assists

Bill Price, 1 assist

Fred Kaneb, 2 goals, 2 assists

Doug MacDonald, Participated

David Jones, Stand up goaltender

SCHOLARSHIP FUND ESTABLISHED IN MEMORY OF CRAWFORD AND RUTH GRIER

The Foundation is pleased to announce the establishment of the Crawford and Ruth Grier Memorial Scholarship Fund.

Founded in memory of former Headmaster Crawford Grier (1931-1951) and Mrs. Grier by their children, Terry Grier (B.C.S. 1943-52) and Sheila Grier Gallagher (K.H.C. 1949-50), this Scholarship is awarded annually to a student who not only is proficient academically, but also has made a noteworthy contribution to two of the following areas of School life, all of which especially interested Mr. Grier: Drama, Choir, Sports, Cadets.

This Memorial Fund is a most fitting tribute to Mr. & Mrs. Grier, whose contributions to B.C.S. throughout their 19 years are well known and fondly remembered by so many Old Boys.

Those who wish to contribute to this Fund should make cheques payable to the B.C.S. Foundation, noting on the cheques, "For the Grier Memorial Scholarship Fund".

VIIth FORM STUDENT REPORTS ON THE MESS DINNER

by Judi Webster: Form VII

The Annual Mess Dinner was, from my point of view, a great success.

We gathered in the library for fruit punch and chat, while awaiting the arrival of our honoured guest, Colonel Tom Price. There was a hum of chatter about whether or not there was lint on our uniforms or enough polish on our boots. Then the gusets arrived and we all met Colonel Price.

The dinner menu was shrimp cocktail to begin, followed by salad and chicken cordon bleu. Dessert was an enormous piece of black forest cake, placed in front of each cadet.

Our Cadet Commanding Officer began the proceedings-Major Baldwin S. Evans. Then the key-note speaker Colonel Price addressed us. His speech consisted of reminiscences of his days in B.C.S. Cadet Corps No. 2, full of jokes. He was very kind and kept it short and to the point as we were all eager to go on to the Christmas Tea Dance.

We closed with a prayer from Bishop Matthews. On behalf of the officers and NCO's, I would like to thank Colonel Tom Price for speaking to us and giving us a taste of former days in The B.C.S. Cadet Corps No. 2.

THE GREAT **BCS** GIVEAWAY

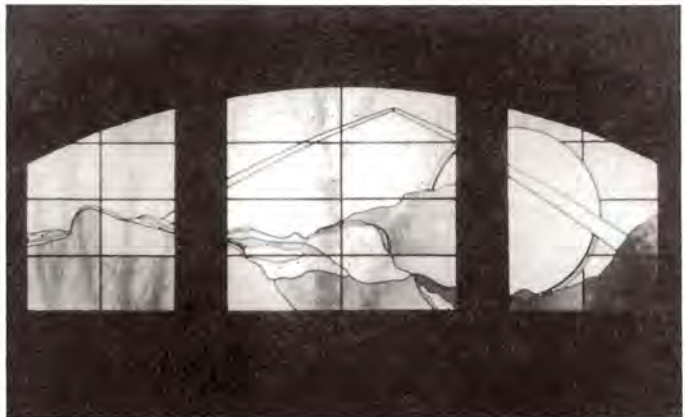

**SUPPLEMENT TO
THE B.C.S. BULLETIN
FEBRUARY 1984**

he Great BCS Giveaway is your opportunity to assist directly in the daily life of the students of BCS. You have the choice! You decide from the following list of needs where you want your contribution to go!

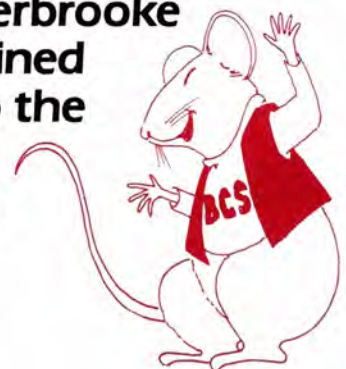

This beautiful stained glass window is a gift from the graduating class of '83. It was dedicated at the last Thanksgiving service in St. Martin's, and is placed above the outside door leading up to the chapel. This gift has inspired the Alumni Directors to bring you the **Great BCS Giveaway**.

How wonderful it would be if all Alumni who feel that they received something special and unique from their days at KHC or at BCS were to respond in the same spirit as the class of '83.

Please come with our school mouse, **Moulton**. Follow his footsteps, and as he did, "jump into the proceedings!"

The mouse first made his appearance at the "turning of the sod" ceremonies in 1916. When Mrs. J.K.L. Ross placed the spade in the ground, out he jumped to the surprise and delight of all the bystanders. He received full press coverage in the "Sherbrooke Record" at the time and has been enshrined in school memory by being carved into the school crest. The crest can be found on the exterior wall of the bridge leading to the Science and Gym complex. Please look for him next time you visit the school!
